HOW HP CARE PACKS BENEFIT YOUR BUSINESS

Having your teams working at all hours all over the world can create a lot of extra work and worry for your internal IT team and your IT services partner, too. That's why every HP Care Pack is designed to provide professional-class coverage options and support services that create peace of mind.

Your HP hardware will be expertly repaired by those who know your devices best: HP certified technicians. It's like having your own team of experts at your IT service provider's side.

Your workers can experience greater productivity with increased device uptime. Our efficient services keep devices running smoothly and address repair issues quickly—at your employees' locations and on their schedules.

With our proactive approach to predicting problems, there's no need to waste time finding suitable replacement parts, spend more money on urgent repairs, or leave devices at service centers for weeks.

You'll also get lower, more predictable IT costs when you know device service costs up front. Pairing HP Care Packs with your devices from the start lowers last-minute expenses.

Avoid surprises knowing you're covered

CHOOSE FROM A RANGE OF COVERAGE OPTIONS FOR YOUR SPECIFIC NEEDS

We make servicing the PC fleet in your blended environment easier for your business, workers, and IT services partner in three main ways:

FASTER REPAIR RESPONSE - Get back to work fast with an array of support services including Call-to-Repair,² Hardware Support Onsite Service, and Next Business Day Hardware Support for Travelers.

ENHANCED PROTECTION - Protect against drops, spills, and power surges with Accidental Damage Coverage, as well as other services like One-Time Battery Replacement and Defective Media Retention.²

WARRANTY EXTENSION - Extend your PC's coverage beyond the base warranty with optional, flexible service extension plans of varied durations and levels.

NEXT BUSINESS DAY ONSITE RESPONSE¹

Repair or replace broken devices in just one business day³

Minimize costly disruption and keep people and projects in motion with a service-level option that goes beyond standard PC repair. Our rapid onsite response sends trained HP technicians to your employee locations—your IT services provider is no longer tasked with shipping or dropping off and picking up at insecure locations.

HP ACCIDENTAL DAMAGE PROTECTION SERVICE²

Discover one easy fix for endless possible mishaps

Safeguard your PC investment against unforeseen incidents and out-of-pocket repair costs like accidental damage, loss of equipment, or loss of sensitive data. Our plans provide continuous, global coverage for parts replacement and labor, with 24/7 real-time chat and phone support, door-to-door pickup, and return or onsite service.

HP TRAVEL SUPPORT SERVICE

Help workers travel worry-free with global device support

Give employees access to the HP device help they need—almost anywhere they are—support coverage around the world.¹ Our Next Business Day Support for Travelers provides remote diagnosis and remediation or rapid repair by local experts, getting employees back up and running fast with minimal impact on your IT services partner.

HP DEFECTIVE MEDIA RETENTION SERVICE

Maintain secure control of defective hard drives

Sending your confidential data to a remote facility can violate data-privacy regulations and endanger proprietary and confidential data.¹ Stay in control of sensitive data when even the best of hard drives fails. Our service replaces defective HP hard drives while allowing your IT services provider to keep and dispose of the original according to your own protocols.

HP RECOVER AND RESTORE SERVICE

Protect your vital data

Resolve issues related to data loss due to mechanical failure, accidental deletion, software crash, or malware. Our service identifies the root of the problem, fixes it, and then recovers lost data and operating systems on select HP business notebooks, desktops, and workstations.⁴ We also provide phone and chat software support assistance with North America-based HP-certified technicians.

COVERAGE THAT EXTENDS BEYOND PCs

Peripheral performance matters

The displays and accessories that connect workers to their devices are key to efficient hybrid work environments. Keep them running smoothly with coverage for docking stations, displays, and more.

PC support for the everywhere workforce

You can't totally avoid PC problems, but you can lessen their disruptive impact on your hybrid workforce and IT services partner. Choose from an array of HP Care Packs with varied coverage durations and service levels to fit your organization's needs around the globe.
